## **WAIVER AND INDEMNITY**

Entering the playing/net area is not without risk. Jugs bowling machines are used, as well as live bowling, and balls can travel at great speed from both the bowling end and from the batting end of the training lanes.

All players must wear appropriate safety gear. Whilst batting, helmets with faceguards, pads, gloves and boxes must be worn. Bowlers must be aware of their surroundings and be prepared for returned deliveries from the batting end.

Whilst we make every effort to minimize risk, accidents can happen. Be careful, be aware, and inform us immediately if you feel unwell or concerned in any way.

All players enter the net area at their own risk. Activate Cricket Centre, its owners, managers and coaches cannot be held responsible for any accidents incurred during the training sessions.
